Declaration of the 26 Sensitizers

Please find enclosed the percentages of the 26 sensitizers according to the EC Regulations 1223/2009/EC and/or 2004/648/EC which are contained in the following products. Further you receive the information if you have to declare the sensitizer or not.

F+L Art.-No.	Product Description
P0109082	Spearmint oil

Because the 26 sensitizers often originate from essential oils and because their content in the essential oil varies depending on the year and harvest, the values of the actual batch might vary.

Please don't hesitate to contact us if you have further questions.

With best regards,

Frey + Lau GmbH
